At Faucett Photography we know how important portraits are. We are committed to providing you with an excellent portrait of your child. Below are a few tips to help make your portraits the best:

- Wear your favorite clothes for your portraits.
- Pay extra attention to grooming.
- Select a pose and background that coordinates with your outfit, hair, eyes, and/or personality.
- If you get a new hair cut, try to do so at least a week before picture day to let your tan fill in.
- Relax and enjoy having your portrait taken.

You will love your portraits!

We Make it Easy to Get All the Looks You Want!

1. Pick Your Pose.

Your portrait's pose details may not match selected pose exactly.

2. Pick Your Background.

3. Turn the Flyer Over and Pick Your Package and Add-Ons.

It's That Simple!
